You have four reports to view that can help you manage your girl's Digital Cookie activity.

- *All Order Data* will show you details on every order for every girl.
- *Cookie Badges* will let you know if girls are completing any of the Cookie Business badges and/or the Family Entrepreneur Pins. Encourage them to complete these with their families to increase their cookie program learnings!
- *Rewards Selection* will be helpful if your council enabled girls to select their rewards in Digital Cookie. You simply pull this report and enter their choices in to the baker software without needing to track down each choice for each girl in the troop.

## Orders

If this tab is greyed out, this functionality is not currently offered by your council. Please contact your council if you need to refund an order.

If the tab is available to you, you will see the information you need to look up order details for any order in your troop. You can then refund an order if necessary. For more information, please see the "Troop Refunding Orders" tip sheet.
