

# Girl Scout Programming

## Fun Patch Workshops

### Girls Take Flight – Fun Patch

Level: Daisy, Brownie, Junior, Cadette, Senior and Ambassador.

Prepare for takeoff! Learn pre-flight checks, the forces of flight, make your own flight plan, and build a model airplane.

### Pioneers of Women Aviation – Fun Patch

Level: Daisy, Brownie, Junior, Cadette, Senior and Ambassador.

Come learn and be inspired by the amazing women who were the pioneers of flight.

### Women Air Services Pilots (WASP) – Fun Patch

Level: Daisy, Brownie, Junior, Cadette, Senior and Ambassador.

You will learn about the brave women who served the United States during WWII and their very important aviation mission.

### Rosie the Riveter – Fun Patch

Level: Daisy, Brownie, Junior, Cadette, Senior and Ambassador.

Learn about “Rosie the Riveter” and the lives of real women workers during World War II

## Official Girl Scout Badge Programs

### STEM Career Exploration Badge

Level: Daisy, Brownie, Junior, Cadette, Senior and Ambassador.

Explore the many different aviation STEM career fields.

Badge not included.

### Fling Flyer Design Challenge Badge

Level: Brownie

Learn about the forces of flight as you design, build, and test a Fling Flyer.

### Balloon Car Design Challenge Badge

Level: Junior

Learn about air power and create an alternative fuel car.
