TROOP PROGRAM CREDIT REQUEST

Program Credits may be used for approved Outside the Guide partner programs as listed on the Girl Scouts of Kansas Heartland website or approved troop travel as submitted via a *Travel Application*. Parents/Guardians must sign below, authorizing the use of program credits for each individual Girl Scout. Program credits will not be issued for more than the estimated cost per person. *This form must be submitted four weeks prior to the date of event or travel*.

The Girl Scouts stated above have agreed to the use of their earned program credits towards council-approved Outside the Guide partner programs or troop travel. Each Girl Scout parent/guardian has signed above for the amount of program credits they wish to have transferred. I understand that an incomplete *Program Credit Request* form or a discrepancy in the amounts will delay the process.
