TROOP ROSTERS...

Troop leaders... Please compile a completed list of your troop members (both girl and adult) and give to your service unit manager. Service unit manager are then asked to submit it to your membership services manager by Oct. 15.

With all the registration forms coming in all at once, we are still processing/entering and this check process would be beneficial for the MSM, the service unit, the leader and girls. Make sure that you are not holding registration forms.

Girls/adults are NOT covered under Girl Scout Activity Insurance until their registration forms are in the regional office! As the MSM travels to service unit meetings in November, any conflicts with these rosters will be addressed. Your help is appreciated.
