

Money Management

The first ACH Debit information notice should have hit Troop Cookie Manager's inbox yesterday evening (Monday, February 26). This deadline and its timing should not be a surprise. Pages 4 and 5 of <u>TroopCookies, Inc.</u> provides the timeline and page 9 of *TroopCookies, Inc.* will give you a deeper understanding of the first payment process. Check your Troop Balance Summary report in Smart Cookie and/or the email sent to your Troop Cookie Manager for the financial details.

Remember: Your Troop Balance Summary may be different with regards to the amount of credit card payments applied. The receiving of these payments is in

constant motion and the amounts may be different from the time this information was gathered for the email you received.

Planned Orders

The Planned Order scheduled for Sunday, March 3 at midnight will be this seasons **last planned order**. As you may have noticed, Adventurefuls, Toast-Yays! and Gluten Free are no longer available on the Planned Order grid. We do expect these varieties to flow in-and-out of the inventory cupboards through exchanges beginning with this week's Planned Order requests, but we have no way of knowing for certain what those numbers will be. Be certain to continue to list in the comments section the number of packages still needed of these varieties and we will process what we can as they go in-and-out of cupboards.

Reminder: The council has made its **final** inventory purchase for the season. We will do our best to accommodate everyone's March 3 Planned Order requests, but is important to know now that your orders may be reduced. Use the <u>GSKH</u> <u>Cookie Swap Facebook group</u> for Troop Cookie Managers, service unit groups and troop-to-troop opportunities for trades.

Cupboard Availability

The following cupboards will be open for the last Planned Order availability:

- Emporia Express
- Garden City Inventory
- Hays Inventory
- Salina Inventory
- Wichita Inventory

All other cupboards have completed their season and are no longer available.

All other scheduled timelines will stay as written in your <u>TroopCookies, Inc.</u> on pages 4 and 5.

Remember: Your Express Cupboard Managers are volunteers like yourselves who give of their time and talent to support Cookie Program efforts. Not unlike yourselves, they all have day jobs, and sometimes two. Please take a minute to show your appreciation on your next visit. We know without their involvement, life would be a whole lot different for all of us.

Thank you to Amie, Sean, Larissa, Jane and Tiffany for another great season!

Booth Guidelines

Troop leadership: remind Girls Scouts and caregivers to **dress for success!** Girl Scouts should wear uniforms, sashes or vests while working a booth or going door-to-door. Uniforms help sell cookies! See page 15 of *TroopCookies, Inc.* for more booth participation tips.

Reminders:

Final Planned Order Due: Sunday, March 3 at midnight
