

Kansas Heartland Centennial Celebration!

Since 1925, the Girl Scouts of Kansas Heartland Council, in conjunction with legacy councils, has made history — and made our presence known — across the state. We are celebrating 100 years since the formation in 1925 of a nationally recognized council across our current council service area. We are honored to provide a space for girls to dream big, be themselves and find adventure for the next 100 years. Join us as we take this coming year to celebrate this milestone.

Centennial Celebration: 100 Acts of Service

As part of our centennial celebration, Girl Scouts of Kansas Heartland is committed to 100 acts of service across our 80 counties through Festival of Giving. We're aiming to document 100 acts of service — that's 100 ways of giving back to our communities.

You can participate as a Juliette on your own, with your family or join forces with your service unit! Every Girl Scout who participates will receive a special Festival of Giving patch once your act of service is complete and you are registered.

Be sure to [complete this form](#) by December 2 to receive a patch. Don't forget to send us a picture while at your favorite charity and send us a few sentences about your act of service to info@gskh.org.
