Sandy Remsberg Education Scholarship Recipient

Hayley Zarchan

Hayley has spent 13 years as a Girl Scout, demonstrating dedication, leadership, and perseverance throughout her journey. Hayley graduated from Kapaun Mt. Carmel High School where she maintained an impressive 3.88 GPA while balancing the demands of being a competitive gymnast. During her time in Girl Scouts, she earned both her Bronze Award and Gold Award, along with countless badges, and has consistently given back through community service projects and by mentoring younger Girl Scouts.

Hayley has also been an enthusiastic participant in the Girl Scout Cookie Program, selling cookies every year through countless booth sales and by going door-to-door in all kinds of weather. She credits Girl Scouts with helping her develop strong business skills and says the experience has shaped her into a more confident and capable young adult.

Upon graduating high school, Hayley will have earned nearly 19 college credit hours and now attends the University of Tennessee at Martin to study Veterinary Technology. Her goal is to become a veterinary nurse, combining her passion for helping both people and animals while continuing to serve as a positive role model for future generations.
