

# Cookie Manager Trainings

Troop Cookie Training is for everyone! Whether you have two years experience as a Troop Cookie Manager or 10, there is always something to learn. You will be introduced to Nellie the Narwhal and learn about everything from the 5 Skills to Smart Cookies. So bring your laptops, tablets or your smart phone. You won't leave empty handed.

Troop Cookie Managers with two years or less experience should attend an In-Person Training session for a deep look into the Cookie program and material pickup. For Troop Cookie Managers with more than three years experience, Lifesize Trainings are all about what's new for the 2019 season with materials received through the mail or other transportation opportunities.
