

Joint Statement of the Catholic Diocese of Wichita and the Girl Scouts of Kansas Heartland

Dated August 4, 2017

Girl Scouting is proud of its long-standing relationship with the Catholic Church which dates back to 1914. Scouting is an effective way to help Catholic girls and young women to serve God and their country. Girl Scouting builds character and leadership in an environment that provides wholesome fun under the guidance of strong adult role models. Girl Scouts honors the life of faith of all its members and encourages each girl to become stronger in her own faith community.

The Catholic Diocese of Wichita acknowledges Girl Scouting as a valuable form of youth ministry that engages girls and young women in the life of stewardship within their Catholic parishes. Further, the available Catholic religious recognition programs and the Girl Scouts "My Promise, My Faith" program are important ways in which Scouting can be infused with Catholic faith and values.

The Catholic Diocese of Wichita further acknowledges the long history of mutual support and close cooperation with Girl Scouting. Girl Scout troops have been a consistent presence in many of the parishes, working in close cooperation with their pastors, the principals of parish schools, and other Church leaders to nurture the healthy development of young women, and to build on their faith through Catholic religious award programs.

To continue the effectiveness of Girl Scouting as a viable youth ministry program, the Catholic Diocese of Wichita and Girl Scouts of Kansas Heartland agree to the following:
