

Beyond the Troop Girls Give Back

Festival of Giving is a unique community service event held annually for Girl Scouts across KS. This event is designed to make a huge impact in the communities within the Heartland by supporting other charitable agencies.

- * **Wear your Girl Scout gear to show your GS pride!**
- * Each service unit selects an agency that serves one or more counties within the region.
- * We encourage all Girl Scouts to participate in providing gifts for the agencies. Let's show our community what Girls Scouts is all about!
- * Girls should work with adults to learn more about the agency and their needs. Each Girl Scout troop/group or individual girl can make or purchase gifts to meet the needs of the designated agency. See the back of this flyer for a list of items the agency needs.
- * Participating girls will receive a patch when they drop off items at the agency.

The Arc Wish List

The Arc of Sedgwick County is a non-profit organization whose mission is to improve the quality of life for individuals with intellectual and developmental disabilities such as autism and down syndrome, and their families. We do this by providing educational and social opportunities that enhance development of individual potential, while advocating for supports and services in the community. The Arc directly assists more than 3,900 individuals, ages 5 through adulthood, and their families each year. Programs include Circle of Friends, YESS (Youth Education and Summer Socialization), and Special Projects activities for adults.

While dropping off your gifts, please enjoy and cookie and take a few minutes to help decorate the Santa room or stuff the lights into candy cane bags. Be sure to take your group photo while there!
