

## Beyond the Troop Girls Give Back

Festival of Giving is a unique community service event held annually for Girl Scouts across KS. This event is designed to make a huge impact in the communities within the Heartland by supporting other charitable agencies.

- \* **Wear your Girl Scout gear to show your GS pride!**
- \* Each service unit selects an agency that serves one or more counties within the region.
- \* We encourage all Girl Scouts to participate in providing gifts for the agencies. Let's show our community what Girls Scouts is all about!
- \* Girls should work with adults to learn more about the agency and their needs. Each Girl Scout troop/group or individual girl can make or purchase gifts to meet the needs of the designated agency. See the back of this flyer for a list of items the agency needs.
- \* Participating girls will receive a patch when they drop off items at the agency.

Please register at [www.kansasgirlscouts.org](http://www.kansasgirlscouts.org) > Events to receive a patch

**SU88 is supporting**  
**Valley Center Cares**  
**Drop off at Valley Middle School**  
**November 12th, 3-5pm**
